

The Board of Trustees recognizes the ownership of a community beach and boat ramp is a valuable asset.

The use of the community beach and boat ramp is restricted to members in good standing in the Greenbank Beach and Boat Club.

The keys are the property of the GBBC and members are required to sign a receipt acknowledging this ownership, the key cost for a replacement and the beach rules. (currently \$600.00+ the current cost of the key)

Upon the sale or transfer of HHE property, the outgoing member must return the key to the GBBC president or their designee or the cost of the unreturned key may be added to closing costs.

The key may not be rented or sold to people who are not members.

For questions related to beach keys, please contact the GBBC Board president, Judi Moore at [jrmmoore@gmail.com](mailto:jrmmoore@gmail.com) or 360-222-0109
